“Greening Hong Kong by PolyU Alumni” –

a HK PolyU and Federation of PolyU Alumni Associations Joint Function

‘Greening HK by PolyU Alumni’ is a ‘tree-planting community project’ that will involve more than 1,000 PolyU alumni and their family members/friends. The main aim of the project is to unite PolyU alumni to contribute their efforts towards the well-being and betterment of the HK community and environment.

The function will be held on Sunday, 7 November 2004 10:00am to 1:00pm at King’s Park Recreation Ground in Jordan, Kowloon. We were invited by the FHKPUAA to support the function. Since we had voiced out for support, many of our members have kindly made contributions and the result is that the Association has forwarded HK\$3,000 to the PolyU to support this function. If you will be in Hong Kong in early November, you are more than welcomed to participate the function on the day.
